## FOCUS: A ONE-YEAR JOURNEY THROUGH THE BIBLE

GROWING OUR LOVE FOR GOD THROUGH A BETTER  
UNDERSTANDING OF SCRIPTURE

*Session 3: New Life In Jesus*  
*March 28th - May 7th*

In Session 1 we focused on God's Plan for Creation, we talked about God's formation of Israel and his plan to bless all the world through his people. In Session 2 we talked about Holiness, which is God's strategy to reach the world and the way we live in best relationship with God. In Session 3 we will try to focus a little more directly on the person and work of Jesus. There is new life in Jesus! We enter into the blessed life and begin to participate in God's plan for creation only after we've made a decision to give ourselves completely to Jesus. Early in this session we'll celebrate the resurrection of Jesus - God's miraculous response to the death of his Son. Jesus is the forerunner of new life and of eternal life - death has no victory and no hold on the people of God! This session has some amazing pieces of scripture and, really, there are very few areas that will be a drag to get through - let's stay **FOCUSED** and dig into God's word together to see what he wants to teach us during this season of life!
