

FAITH ALLIANCE CHURCH

FOCUS: A ONE-YEAR JOURNEY THROUGH THE BIBLE

GROWING OUR LOVE FOR GOD THROUGH A BETTER
UNDERSTANDING OF SCRIPTURE

Session 5: He Is For You! *June 20th - July 31st*

In this session we'll see the corruption of Israel bring about some prophetic warnings, but in the midst of all of that we'll see a balance of God's gracious faithfulness despite the impurities of his people. God is portrayed as a faithful husband to an unfaithful spouse - there are consequences, but ultimately his love will not waver. 1 Chronicles will offer some historical review from a slightly new perspective, the Psalms will keep our focus on the heart of God, and Ecclesiastes is one of the Wisdom Books of the Bible (written by King Solomon). Ecclesiastes is a great read, it shows the unsatisfying results of chasing after empty promises of the world. Another book by Solomon, Song of Solomon, is written as a love poem between husband and wife - highlighting the beauty and Godly purposes of Christian marriage.
