

FAITH ALLIANCE CHURCH

FOCUS: A ONE-YEAR JOURNEY THROUGH THE BIBLE

SESSION 4, WEEK 6 - JUNE 13 - JUNE 18

What to Watch For

We all know that leaders have significant influence on the people they are leading. Any company or team with wise leadership will thrive and any company or team with poor leadership will fail. Although people have a responsibility to submit to wise leadership or push back on poor leadership, the success of any team will come down to its leadership. We see this time and time again in ancient Israel.
